

## **Fair use policy of Unlimited Internet service for Vodafone SuperNet subscribers**

«Fair use policy of Unlimited Internet service for Vodafone SuperNet subscribers» is introduced in order to prevent commercial usage from the point of particular subscribers of data services within Vodafone Ukraine network which can complicate or make impossible the usage of data services for other subscribers.

Statute for subscribers of Vodafone SuperNet:

1. Unlimited Internet service is available in Vodafone SuperNet tariffs, intended for using in smartphones and tablets.
2. Unlimited Internet service at the highest possible speed is available in using no more 3 GB per day. In case subscriber exceeded the quota per day, speed of mobile Internet will be reduced to 0,8 Mbit/s until the end of the day.
3. In case of using Unlimited Internet service:
  - 3.1. the access to file-sharing networks (torrents) is closed;
  - 3.2. the speed of streaming video service is limited to 2,0 Mbit/s.
4. The access to Unlimited Internet service can be limited in case of:
  - 4.1. the usage of smartphone and tablet and data services as access point to Internet as modem;
  - 4.2. the usage of sim card in the modem.
5. The speed of connecting to Unlimited Internet service can be reduced in case of increased the load on Vodafone Ukraine network, which was caused as a result of the data services usage by other subscribers in the network.
