Fair Use Policy for Unlimited Internet

The Fair Use Policy for Unlimited Internet is implemented in order to prevent the commercial use of data services within Vodafone Ukraine network by particular subscribers, which can cause difficulties or even make impossible to provide the data services to other subscribers.

Provisions for the Vodafone Ukraine contract subscribers in B2B segment:

1. Unlimited Internet is available in Vodafone Red Business tariffs designed for smartphones and tablets.
2. Unlimited Internet at the highest possible speed is available when using up to 3 GB per day. If the subscriber has exceeded the indicated quota limit, the mobile Internet speed will be reduced up to 0,8 Mbit/s by the end of the day.
3. When using the Unlimited Internet:
 - 3.1. The access to the file sharing networks (torrents) is closed;
 - 3.2. The speed of streaming video service is limited up to 1,2 Mbit/s.
4. The access to Unlimited Internet can be limited in case of:
 - 4.1. using the smartphone or tablet as the Internet access point;
 - 4.2. using the SIM card in the modem or other mobile device except for smartphone or tablet.
5. The Unlimited Internet connection speed can be reduced in case of congestion in Vodafone Ukraine network, caused by data services usage by other subscribers in the network.
